

NEURODIVERSE TALENT INTERNSHIP 2024

About Us

The ACS Foundation, AASQA, and Autism Association of WA unite to offer an internship program tailored for WA university and TAFE students with ASD. This initiative aims to provide valuable work experience in the software quality assurance field, leveraging neurodiverse talents.

Key Features

- Customised support from the Autism Association of WA
- Real-world project experience and professional skill development.
- Fortnightly scholarship payments by the ACS Foundation.

How It Works

- Interview and onboarding process facilitated by the ACS Foundation.
- Individual support plans and job coaching through the Autism Association of WA's AIM Employment program
- Engagement in STEM education and training to overcome employment barriers.
