# Women of STEM Scholarships

## About the Scholarship

Open to girls aged 18-20 enrolled in a STEM related degree at an Australian university. The scholarship boosts support for young women with \$5,000 per year for the length of their degree.

## History of the Scholarship

The Women of STEM Scholarships were initiated by Chris S. Johnson and Winifred M. Southcott and funded by Chris, Winifred, and Dr. Barbara Briggs AM and inspired by Merle Margaret Asta Hodge

Scholarships are managed by the ACS Foundation who have over 22 years experience administering over 8,000 scholarships
